

A photograph of a city street at sunset. The sun is low on the horizon, casting a warm orange glow over the scene. In the background, a large, rugged mountain peak is visible, with the sun appearing to rise behind it. The street is lined with multi-story brick buildings, many of which have fire escapes attached to their sides. A few people are walking on the sidewalk, and a few cars are parked along the street. The overall atmosphere is peaceful and scenic.

The background of the slide is a dark, atmospheric photograph of a city street. Tall, multi-story buildings with many windows and fire escapes line the street, receding into the distance. In the far background, a large, rugged mountain is visible under a dark sky. The overall tone is somber and dramatic.

A PLAN TO READ THE NEW TESTAMENT IN 90 DAYS

The New Testament has 260 chapters, so if you read an average of three chapters of it a day, you can easily finish it within three months, even if you miss a few days. The suggested reading schedule below can be a helpful tool to help you to reach your goal of reading the entire New Testament in 90 days. If you miss a day or don't finish the number of chapters that you planned for a particular day, don't get discouraged. Just keep going! It may take you a little longer than 90 days, but it will be better for you to finish a little later than you planned than not to finish at all. May God bless you as you read His word and apply it to your life!
